Specification	Table sizes (Max Format Sizes)	Options
Super 40 range		
Air float stainless steel table	2050 x 800 mm (1050 x 800mm)	Audible / Visual Alarm
		Label Printer Kit
Optional Air Float Laminate table (recommended for Polymer applications)	2050 x 800 mm (1050 x 800mm)	MIS Data Download
		Additional noise suppression
Customised table sizes available on request		

Technical Information

* All counting speeds, cycle times and paper weight ranges stated are the results of tests carried out under factory conditions. Actual results may vary depending on paper weight, quality and presentation. Other variables such as batch size, disc type or blade selection may also affect performance.
